Hi Nili:
Hope and trust you are well, and it's nice to hear you'll be in London. As I've told Ehud, I anticipate needing
only two or three hours, maximum, to complete the chunk of material that goes through his period as Ramat Kal.
I'm not sure which book script you're referring to… Was it in English/Hebrew?
As for getting our book finished, I assume you meant July, not June 17-24. Assuming I've made good progress
by then, yes, it would absolutely make sense either for Ehud to come here or for me to come there.
Before then, I suggest that as I need material, he and I can set aside appointments to talk by Skype.
Best to you both, and see you shortly.
Ned
